

Missouri S&T Travel Information

Location

The Missouri S&T EMC Laboratory is located at:

[4000 Enterprise Drive, Rolla, MO](#)

We are located across the street from the Love's gas station, and will be next to the soon-to-be completed QT gas station.

Air Travel

Most travelers arrive at the **St. Louis Lambert International Airport** in downtown St. Louis, MO. Rolla can be reached by car in about 1.5 hours from the airport. Detailed driving instructions are available [here](#). Both rental car service and airport shuttles are available at the airport.

Flights are also available to Springfield, MO or to Mid-America Airport, just East of St. Louis, but the number of flights to each is limited and the driving time to Rolla is just as long
